

Coldys can fit a tray to most makes of utes with options to suit your needs. Made of Steel or Alloy they can come equipped with Removable Rear Racks.

Coldys Trays standard features include Tubular Headboard with Mesh, Over Centre Tray Catches, Rope Rail, Tail Light Protectors and Rack Pins.

Other options include Extra Removable Racks, Steel or Alloy under body rope boxes.

We can also colour code your steel tray to match your sign writing or ute.
